WHAT CAN THIS COURSE CHANGE FOR YOU?

INCORPORATE organic performance, logic, and impact, achieving a more powerful, refined interpretation with professional results.

ELIMINATE SELF-JUDGMENT, entering a deep connection with the scene, with maximum concentration in the truth of the moment.

STAND OUT and become more visible in castings with our Direct Method for Film, an intuitive and psycho-organic technique.

AVOID mechanical and mental processes, eliminating false impulses.

LEARN FROM YOUR EXPRESSIONS. We analyze your on-screen projection to detect all eye movements and micro-expressions that reveal falsehoods and unnecessary effort.
